

PINE RIVER CITY PLANNING & ZONING MEETING TUES. JANUARY 24, 2023, 5:00 P.M.

Meeting was called to order at 5:00pm

Present: Mayor Tamara Hansen, Patty Melby & Troy Gregory

Others present: Nate Savageau

1. PUBLIC WORKS

- Mike revisited creating a policy for park bench donations. There is a continued interest in people wishing to purchase benches as a 'memorial' to be placed at the park. Previous conversation was to create a fund for donations designated specifically for use in the parks allowing Public Works to determine the best use of said monies, rather than an individual purchasing/ordering directly. Information plaques could be created reflecting donor/memorial information. Examples of park policies were provided to the committee members previously.
- Prior authorization was given to purchase a new enclosed trailer for jetting equipment. Trailer will be purchased in the near future.

2. MISC.

- NATE SAVAGEAU - A contractor is potentially interested in developing the property located on the corner of Mill St. S and Arlina Ave. W. The proposed development would require extending onto City property. Nate provided a rough preview of the development inquiring if the City would be supportive to what may be needed of them. Committee felt the City would be in support.
- MISC. FEE SCHEDULE - Current misc. fee schedule is in need of updating both items and fee amounts.
- PERSONNEL POLICY - Policy will be reviewed section by section with amendments brought to the City Council for approval at the following City Council meeting.

There being no further business to discuss, the meeting adjourned at 7:35p.m.

Tamara Hansen, Mayor
