

PINE RIVER CITY PLANNING & ZONING MEETING
TUESDAY FEBRUARY 23, 2021, 6:00 P.M.

PRESENT: Troy Gregory, Mayor Tamara Hansen, Tammy Hansen, Patty Melby

ABSENT: Tony DeSanto

OTHERS PRESENT: Mike Hansen

1. CHARLES WURM

- Charles is wanting to replace his existing garage with a larger one. He presented the committee with 3 different placement ideas and expressed the one of his choice. Regardless he would need a variance 'if' any portion of the new garage were to be closer to the river than the present one. He would also need to make sure placement is not in the MNDOT right-of-way. Committee questioned several things to which all the information was provided to them.

2. PUBLIC WORKS

- COUNTY PROPERTY- There will be a piece of County property going up for auction. Question was posed to the Cities interest in said piece of property. Mike is checking with Cepco as an easement would be needed from them to access the property.
- COUNTY BUILDING- County building that PW has provided information on and discussed for several months is coming up for auction June 12th and PW would like to bid on it.
- PARK PROJECT - Proposed forming a committee with community members etc. Potentially have an initial informational meeting in March.

There being no further business to discuss, the meeting adjourned at 6:45 p.m.

Tamara Hansen, Mayor
